

# CRA QoS Parameters SLA Quarterly Report

Reported Period: Q4 2020  
(Oct 15, 2020 till Jan 14, 2021)

# Content

- I. **Service Supply Time (SST)**
- II. **Mean Time To Repair (MTTR)**

# I. Service Supply Time (SST)

Definition:

**SST** is defined as the percentage of connections completed end to end, within 10 working days of the receipt of a valid order. In case of point to point connection, **SST** is the percentage of connections completed, end to end, on or before the date agreed with the customer. (note: the definition **excludes the in-building connection** at a customer's premise for GPON)

**SST values for the period Oct 15, 2020 till Jan 14, 2021**

QoS Parameter	Service type	Target	Achieved		
			Oct 15 - Nov 14, 2020	Nov 15 – Dec 14, 2020	Dec 15 - Jan 14, 2021
Service supply time (SST)	All connections	10 BD for 90% of the requests	<= 10 BD for 100% of the requests	<= 10 BD for 100% of all requests	<= 10 BD for 100% of all requests

**Result: SST has been met during Q4 2020.**

# II. Mean Time To Repair (MTTR)

Definition:

**MTTR** is the Average time to restore service calculated as the sum of time taken to restore services for all affected connections (in all fault incidents) divided by the total number of fault incidents during the same period. The MTTR is calculated on quarterly basis. Restoration time is the time from logging a trouble ticket (for the faulty connection) to the time of resolving the same.

MTTR values for the period Oct 15, 2020 till Jan 14, 2021			
QoS Parameter	Service type	Target	Achieved
			Quarter 4 – 2020/2021
Mean Time to Restore (MTTR)	P2P	<= 24 hours	1:23:38
	GPON	<=48 Hours	1:17:23

**Result: MTTR had been met during Q4 2020.**

# Thank You

onbr

A large, stylized graphic of the letters 'onbr' in a sans-serif font. The letters are filled with a gradient of colors: 'o' is dark purple, 'n' is medium purple, 'b' is magenta, and 'r' is bright red. The letters are positioned in the lower half of the page, with the 'o' and 'n' overlapping the 'b' and 'r'. A thin horizontal line is visible across the page, passing through the middle of the letters.
