

# CRA QoS Parameters SLA Quarterly Report

(Reported Period: Q4 2022)

# Content

- I. **Service Supply Time (SST)**
- II. **Mean Time To Repair (MTTR)**

# I. Service Supply Time (SST)

Definition:

**SST** is defined as the percentage of connections completed end to end, within 10 working days of the receipt of a valid order. In case of point-to-point connection, **SST** is the percentage of connections completed, end to end, on or before the date agreed with the customer. (note: the definition **excludes the in-building connection** at a customer's premise for GPON)

**SST values for the period Oct 15, 2022 till Jan 14, 2023**

QoS Parameter	Service type	Target	Achieved		
			Oct 15 - Nov 14, 2022	Nov 15 – Dec 14, 2022	Dec 15 - Jan 14, 2023
Service supply time (SST)	All connections	10 BD for 90% of the requests	<= 10 BD for 100% of the requests	<= 10 BD for 100% of all requests	<= 10 BD for 100% of all requests

**Result: SST has been met during Q4 2022.**

# II. Mean Time To Repair (MTTR)

Definition:

**MTTR** is the Average time to restore service calculated as the sum of time taken to restore services for all affected connections (in all fault incidents) divided by the total number of fault incidents during the same period. The MTTR is calculated on quarterly basis. Restoration time is the time from logging a trouble ticket (for the faulty connection) to the time of resolving the same.

MTTR values for the period Oct 15, 2022 till Jan 14, 2023			
QoS Parameter	Service type	Target	Achieved
			Quarter 4 – 2022
Mean Time to Restore (MTTR)	P2P	<= 24 hours	1:55:53
	GPON	<=48 Hours	4:43:28

**Result: MTTR had been met during Q4 2022.**

# Thank You

onbr

A large, stylized graphic of the letters 'onbr' in a cursive font. The letters are filled with a gradient of colors: 'o' is dark purple, 'n' is medium purple, 'b' is magenta, and 'r' is bright red. The letters are positioned in the lower half of the page, with the 'o' and 'n' on the left and the 'b' and 'r' on the right. A thin horizontal line is visible across the page, passing through the middle of the letters.
